

Special Request

To all of my Family, Friends, and Followers: many of you have donated in the past to my charity for veterans and I assure you that your generosity has an impact on the lives of our veterans who are facing the possibility of becoming homeless. Thank you for caring and for helping our veterans.

But this is a Special Request.

I was in Michigan from October until Dec 23 and when I returned to Hilton Head I learned that a friend's husband had been seriously injured in a hunting accident on Nov 11. His injuries were severe and life threatening; it took rescuers more than 4 hours to find and evacuate him to Vanderbilt Medical Center in Nashville, TN. He has been there since that terrible day and his wife, Sarah, and their 2 daughters have been there to help him on his road to recovery. His family would like to have him home but because of his injuries he cannot travel by vehicle or commercial air. Sarah, along with her sister Lauren and Michele from Branches (a small Home décor store on Hilton Head) have raised money for my charity on several occasions and now it is time to help them.

So, this is a **Special Fundraising request** to help them to cover the cost of an Air Ambulance flight to Hilton Head or Charleston, SC. Because of Michael's injuries he has a long road to recovery and may have to go to Charleston which is a 2 ½ hour drive from Hilton Head, but that's better than 10 hours to Nashville.

Please donate here on this Facebook page

<https://www.facebook.com/donate/524146441553339/>

to Saving Veterans Homes or on our website www.SavingVeteransHomes.com. If you donate on our website, right below the amount, click on "add special instructions to seller" and enter "Special Fundraiser".

The money raised from this special fundraiser will be used to help cover the cost of the Air Ambulance for Sarah's husband, Michael.

Thank you and Merry Christmas and happy New Year. May you all have a healthy and prosperous 2020.
